Today is gonna be the day

That they're gonna throw it back to you

By now, you should have somehow

Realised what you've gotta do

I don't believe that anybody feels the way I do

About you now

Backbeat, the word is on the street

That the fire in your heart is out

I'm sure you've heard it all before

But you've never really had a doubt

I don't believe that anybody feels the way I do

About you now

And all the roads we have to walk are winding

And all the lights that lead us there are blinding

There are many things that I would like to say to you

But I don't know how

Emi7 G Emi7Cadd9

You're gonna be the one that saves me

And after all

Emi7GEmi7Cadd9

You're my wonderwall

Today is gonna be the day

That they're gonna throw it back to you

By now, you should have somehow

Realised what you've gotta do

I don't believe that anybody feels the way I do

About you now

And all the roads we have to walk are winding

And all the lights that lead us there are blinding

There are many things that I would like to say to you

But I don't know how

®2: (2x) I said maybe

You're gonna be the one that saves me

And after all

You're my wonderwall
