

This is the life

Amy Macdonald

Intro AmFCE

Verse Oh the wind whistles down
The cold dark street tonight
And the people they were dancing to the music
vibe
And the boys chase the girls
With the curls in their hair
And the shy tormented youth sit way over there
And the songs they get louder
Each one better than before

Chorus 2x And you're singing the songs
Thinking this is the life
And you wake up in the morning and your head
feels twice the size
Where you gonna go
Where you gonna go
Where you gonna sleep tonight

Bridge AmFCE

Verse So you're heading down the road
In your taxi for four

And you're waiting outside Jimmy's front door
But nobody's in and nobody's home 'til four

So you're sitting there with nothing to do
Talking about Robert Riger and his motley crew
And where you're gonna go and where you're
gonna sleep tonight

Repeat Chorus
