

# Wake me up when September ends

*Green Day*

**G**            **Hmi**  
Summer has come and passed

**Emi**            **D**  
The innocent can never last

**C**            **Cmi**            **G**  
Wake me up when September ends

Like my father's come to pass  
Seven years has gone so fast  
Wake me up when September ends

**Emi**            **Bmi**  
Here comes the rain again

**C**            **G**  
Falling from the stars

**Em**            **Bm**  
Drenched in my pain again

**C**            **D**  
Becoming who we are

**G**            **Hmi**  
As my memory rests

**Emi**            **D**  
But never forgets what I lost

**C**            **Cmi**            **G**  
Wake me up when September ends

Summer has come and passed  
The innocent can never last  
Wake me up when September ends

Ring out the bells again  
Like we did when spring began  
Wake me up when September ends

**Emi**            **Bmi**  
Here comes the rain again

**C**            **G**  
Falling from the stars

**Em**            **Bm**  
Drenched in my pain again

**C**            **D**  
Becoming who we are

As my memory rests  
But never forgets what I lost  
Wake me up when September ends

Summer has come and passed  
The innocent can never last  
Wake me up when September ends

Like my father's come to pass  
Twenty years has gone so fast

Wake me up when September ends 3x
