

Always remember us this way

Bradley Cooper (A star is born)

Verse 1 That Arizona sky burning in your eyes
You look at me and, babe, I wanna catch on fire

It's buried in my soul like California gold
You found the light in me that I couldn't find

Chorus So when I'm all choked up
And I can't find the words

Every time we say goodbye
Baby, it hurts

When the sun goes down
And the band won't play
I'll always remember us this way

Verse 2 Lovers in the night
Poets trying to write
We don't know how to rhyme
But damn we try
But all I really know
You're where I wanna go
The part of me that's you will never die

Chorus So when I'm all choked up
And I can't find the words
Every time we say goodbye
Baby, it hurts
When the sun goes down
And the band won't play
I'll always remember us this way

Bridge Oh, yeah

I don't wanna be just a memory, baby, yeah
uh uhuh uh uh

Chorus So when I'm all choked up
And I can't find the words
Every time we say goodbye
Baby, it hurts
When the sun goes down
And the band won't play
I'll always remember us this way

Outro When you look at me
And the whole world fades
I'll always remember us this way -----
