

Always remember us this way

Lady Gaga

That Arizona sky
burning in your eyes.
You look at me and, babe, I wanna catch on fire
It's buried in my soul
like California gold.
You found the light in me that I couldn't find

Ref

So when I'm all choked up And I can't find the
words
Every time we say goodbye Baby, it hurts

When the sun goes down
And the band won't play
I'll always remember us this way

Lovers in the night.
Poets trying to write
We don't know how to rhyme. But damn we try
But all I really know
You're where I wanna go
The part of me that's you will never die

Ref

So when I'm all choked up and I can't find the
words
Every time we say goodbye Baby, it hurts
When the sun goes down
And the band won't play
I'll always remember us this way

Bridge

Oh, yeah
I don't wanna be just a memory, baby, yeah
I'll always remember us this way

Chorus

So when I'm all choked up And I can't find the
words
Every time we say goodbye Baby, it hurts

When the sun goes down
And the band won't play
I'll always remember us this way

Outro

When you look at me
And the whole world fades

Always remember us this way — *Lady Gaga*
