

Thinking out loud

Ed Sheeran (X)

D **D/F#** **G**
When your legs don't work like they used to be

A
fore
D **D/F#** **G** **A**
And I can't sweep you off of your feet

D **D/F#** **G**
Will your mouth still remember the taste of my

A
love
D **D/F#** **G** **A**
Will your eyes still smile from your cheeks

DD/F# **G** **A** **D**
And darling I will be loving you till you're 70
D/F#GA

D **D/F#** **G** **A** **D**
And baby my heart could still fall as hard at 23
D/F#G

G **A** **Em**
And I'm thinking 'bout how people fall in love in

A **D**
mysterious ways

Em **A**
Maybe just the touch of a hand
Em **A** **Bm**

Or me I fall in love with you every single day

Em **A**
And I just wanna tell you I am

CHORUS

A **D** **D/F#G**
So honey now

A **D** **D/F#G**
Take me into your loving arms

A **D** **D/F#G**
Kiss me under the light of a thousand stars

A **D** **D/F#**
Place your head on my beating heart

G **A**
And I'm thinking out loud

BmA **G** **D/F#Em** **A** **D**
That maybe we found love right where we are

When my head's overgone and my memory fades
And the crowds still remember my name
When my hands don't play the strings the same

way
I know you will still love me the same

Cause honey your soul can never grow old
It's ever green

Baby your smile forever in my mind in memory
And I'm thinking 'bout how people fall in love in
mysterious ways

Maybe it's all part of a plan
I'll just keep on making the same mistakes
Hoping that you'll understand

CHORUS

That baby now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
And I'm thinking out loud
That maybe we found love right where we are

D D/F# G A x4

CHORUS

So baby now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
And I'm thinking out loud
That maybe we found love right where we are
And we found love right where we are
And we found love right where we are
